

A portion of High Street in Frankfort closed starting Monday

Frankfort employees plan ahead, take alternate route

If you work in downtown Frankfort, plan ahead next week! A section of KY 420 (High Street) between Broadway and Clinton streets will be closed from Monday, May 8, until Friday, May 12.

R.J. Corman Railroad Group will be completing maintenance work on the railroad crossing. Motorists traveling north on KY 420 (High Street) will be able to turn left on to West Broadway Street and right on to East Broadway Street.

Variable message signs are currently in place to prepare motorists for the closure, and signs to detour motorists around the closure will be in place while KY 420 (High Street) is closed. Motorists should expect minor delays, are asked to avoid the area if possible, and should approach and travel through the detour with added caution.

All work is subject to change depending on weather, emergencies and other factors beyond the control of the Department of Highways. For traffic and travel information in Kentucky visit goky.ky.gov or download the WAZE app.
